### 1. Design and Development

Following applications have been developed under 'e-Granthalaya Project' – an Internal/In-house project of NIC, for Indian Libraries:

**e-Granthalaya:** A Digital Agenda for Library Automation and Networking

**eGLibNet.Gov.in** : A Union Catalog of Libraries powered by e-Granthalaya hosted in NIC Server and accessible at <http://eglibnet.gov.in>

**e-Granthalaya** is a Library Management Software which is very useful for computerization of library activities and user services. Both of these software were upgraded regularly and released as given in the following table:

S.N.	Version	Edition	Release By	Year
1.	1.0	Public Libraries Edition	KSU, NIC, Bangalore	2003
2.	2.0	Govt. Libraries Edition	NIC HQs	2005
3.	3.0	Network Edition	NIC HQs	2007
4	4.0	Enterprise Edition	NIC HQs	2015

\* Released in October 2015

During the October 2015, we have released Web-based e-Granthalaya which is hosted in NIC Cloud and is used for Online Data Entry and Member Services.

## 2. e-Granthalaya Web Site Statistics(<http://egranthalaya.nic.in>)

During 2015, e-Granthalaya Web site was improved, added many of the new features for Users like Dashboard etc. Users can submit their queries, etc using the Feedback Form in the Web Site. Photo Gallery and few more web pages were added in the site. News published on e-Granthalaya were also uploaded at this web site.

### 3. e-Granthalaya Discussion Forum

During 2013, we have launched 'e-Granthalaya Discussion Forum' for submitting users queries online where any other user can provide answer/solution to the problem. Earlier all the users were sending queries to us only – it has minimized requirements of support from e-Granthalaya Team upto 50%. During the year 2015 – over 200 Queries were submitted by the users with multiple answers from many of the users themselves.

### 4. Union Catalog of Libraries powered by e-Granthalaya – Statistics 2015

A New kind of service was launched from NIC for the benefits of Indian libraries in general and users of e-Granthalaya specifically. Under the services, a Union Catalog of libraries which are using e-Granthalaya software has been hosted in NIC Server and available in public domain at <http://www.eglibnet.gov.in>. Besides, a home page is provided to each member library to host/search its own catalog with an individual web URL. Later, some APIs will be added in the site to integrate this service with the libraries parent organization web site.

- No. of Libraries' data/catalog hosted in NIC Server: **327**
- No. of Total Catalog Records hosted: **20.15 Lakh**
- No of Holdings/Copies records hosted: **36.50 Lakh**
- No of Registered Users: **808**

During 2014, an Inter Library Loan facility was added where registered users can search the books and then can generate/send online ILL request to the holding library.

### Patna varsity central library sans a regular librarian

[B K Mishra](#), TNN | Jan 29, 2015, 11:00PM IST

PATNA: S R Ranganathan's fundamental principle of library science that books are for use and that every book has its readers, does not hold good for the libraries of Patna University (PU).

It does not mean that there is dearth of students interested in availing the facilities of these libraries. It is the utterly poor management of the same by the university which has made the libraries inaccessible to most of those interested.

The libraries of almost all the postgraduate departments of the university are virtually locked for the past several years for want of library personnel.

## 3-day workshop on e-Granthalaya software begins in city

By Our Reporter

SHILLONG: The Directorate of School Education and Literacy, Government of Meghalaya in association with the National Information Centre, is organising a 3-day workshop on e-Granthalaya Software for information and networking of government libraries at Meghalaya Administrative Training Institute, here.

e-Granthalaya is an Integrated Library Management Software developed by NIC for automation and net-

working of government libraries. The current version is 4.0 which is Cloud Ready Application to facilitate web-based data entry with a Centralized Database.

It has a common application for libraries with multi-tenancy with single instance application connected with many databases.

E-Granthalaya is at present successfully running in 3200 libraries all over the country.

The e-Granthalaya software has been developed by a team of experts from soft-

ware as well as Library and Information Science discipline. The software is useful for automation of in-house activities of libraries and to provide various online member services. The software is UNICODE Compliant, thus, it supports data entry in local languages.

The three-day workshop will include e-Granthalaya setup, Admin Module, Circulation Module, Acquisition/Catalog Module, Serials/Search Module, MS SQL Server Setup and Hands on sessions for the trainers.

### 3 Days Workshop on e-Granthalaya Software held

In line with the 'Digital India', a knowledge portal for dissemination of detailed information on Indian [Railways](#) was launched on Monday by Railway Minister Suresh Prabhu.

Indian Railway Knowledge Portal which is accessible at ([www.kportal.indianrailways.gov.in](http://www.kportal.indianrailways.gov.in)), is an initiative of the National Academy of [Indian Railways](#) and has aggregated most of the available knowledge about Indian Railways at one location by linking websites, documents for dissemination of knowledge on the public transporter.

"Globally it is accepted that we live in a knowledge economy which is driven by knowledge. No sector today can be away from the knowledge resources," Prabhu said.

He also pointed out that it is desirable that the knowledge about Railway systems does not remain confined to a few select, but all the enthusiasts, researchers, academicians.

He further said that we need to share best practises and innovations. This portal will be a comprehensive holistic platform as a 'one stop arrangement' for everyone interested in Indian Railways in particular and Railways in general.
