# Reference books for Utkal e-library

Dignitaries at the inauguration of the Sumitra Nayak Memorial E-Resources at Utkal University's Pranakrushna Parija Library in Bhubaneswar on Saturday. Telegraph picture

**Bhubaneswar, Sept. 3: A collection of more than 40,000 reference e-books on the social sciences, including theses and reference study material on political science, development studies, anthropology, sociology and business, was included in the e-collection of Pranakrushna Parija library of Utkal University today.**

The vice-chancellor of Utkal University, Asoka Kumar Das, inaugurated the collection "Sumitra Nayak memorial e-resources" and marked it for the digital section of the library.

The collection was donated by faculty member of York Business School, UK, Bhabani Shankar Nayak, who was also an alumnus of the political science department of the university, in memory of his mother.

Recollecting his student life, Nayak spoke about the importance of a library in the present education system.

The Pranakrushna Parija library has been renovated at the cost of Rs 33 lakh. Efforts are on to link it with other digital libraries of the world.

Higher education minister Pradeep Panigrahi laid the foundation stone for the digital library in December last year. According to plans, the library will be built on an area of 12,000 sqft and will have an electronic repository of books and journals.

The digital cataloguing under e-Granthalaya has been completed and several new computers have been installed to help the faculty and the students.

There are more than 2.7 lakh books in the Parija Library at present. The library will also have scanners to preserve rare manuscripts. There are about 3,673 manuscripts on religion, rituals, history and medicines in the library. The university is coordinating with other state universities for e-books, e-magazines and e-journals with help from a private firm.

The library also plans a special section for specially-abled students with modern equipment such as Braille readers and special software to help them access books and other study material.

# Govt to implement e-Granthalaya to automate functions of libraries

20 February 2016, New Delhi, Sunil Thapliyal

The Delhi government is all set to implement a software e-Granthalaya (V-2) to automate complete functioning of libraries. The software is developed by the National Informatics Centre (NIC). The software is free and is web-enabled.

The additional Secretary of the Delhi Chief Minister sent a letter to the Secretary of Art and Culture, government of National Capital Territory of Delhi (GNCTD), the Director (Education), the Director (Higher Education), the Dean, Maulana Azad Medical College (MAMC), and the Director-Principal, BSA hospital and asked them to take necessary action to implement this project.

"E-Granthalya (V-2) software, developed by NIC, will make the complete functioning of libraries automatic. The software is free and is web-enabled. It would be highly useful if all the libraries in Delhi are linked to the e-Granthalaya. The Nodal officer from the IT Department for this project will be Sumit Kumar and that of NIC will be Ram Kumar Matoria," said the letter written by Dr Vasantha Kumar, additional secretary to the Chief Minister.

"It is requested that necessary action may kindly be taken to implement this project. IT department will provide all support necessary," it added.

E-Granthalaya is a digital agenda for library automation and networking. This software has been developed by a team of experts from the software as well as Library and Information Science discipline.

The software is useful for automation of in-house activities of libraries and to provide various online member services. It provides built-in Online Public Access Catalogue (OPAC) interface to publish the library catalogue over internet. The software is UNICODE compliant thus, supports data entry in local languages.

"Library automation is the general term for information and communications technologies (ICT) that are used to replace manual systems in the library. The automation may be applied to library administrative activities, office procedures, and delivery of library services to users," said an IT expert.

At a time when government of India laying stress on the digitalization of libraries, Jammu and Kashmir is lagging behind as so far only 4 out of 140 libraries have been digitalized by the department of libraries and research in the Himalayan state.

Sources told Greater Kashmir that the failure of the state government to allocate funds for the purpose has rendered a severe blow to the automation and digitalization of the libraries in Jammu and Kashmir.
"We have failed to keep pace with the growing internet technology due to which public libraries are failing to attract students and general public," said a senior official of department of libraries and research.
The JK government in 2011 had publicized their move of digitalization of all the libraries in JK, but so far only four central libraries namely SRS Central Library Jammu, SPS Central Library Srinagar, Oriental Research Library Hazratbal and City Central Library were taken up for automation and networking under the pilot phase.
"Unfortunate part of the public libraries is that neither the people are serious about libraries nor the JK government has shown any interest to bring modernise these treasure troves in order to make them available to the current and future generations," he said.
The official, further added that the digitalization of the libraries has become a casualty of paucity of funds as so far only 1.36 crore were allocated for digitalization of main four libraries while other libraries are not in a good shape and some are even functioning from the rented accommodations.
Officials further said that the department has proposed to the state government seeking allocation of funds for digitalizing of all the libraries

# ई ग्रंथालय बताएगा कहां है आपके काम की किताब

अखिलेश कुमार

सरकारी विभागों के लाइब्रेरी की क्लाउड के ई-ग्रंथालय में सूची तैयार होगी

किस अधिनियम या कानून संदर्भ की किताब कहां है इसकी ऑनलाइन जानकारी उपलब्ध होगी

**नई दिल्ली।** दिल्ली सरकार के किस बिभाग में या किस अधिकारी के पास दूसरे विभाग के जरूरत की किताब पड़ी है, ये ई ग्रंथालय एक क्लिक में बता देगा। ई ग्रंथालय प्रोजेक्ट से सरकारी विभागों की सभी लाइब्रेरी को जोड़ने की दिशा में सूचना प्रौद्योगिकी विभाग ने काम शुरू किया है। भविष्य में सरकार की सार्वजनिक लाइब्रेरी को भी इससे जोड़ा जा सकता है। शुरुआत दिल्ली सचिवालय की लाइब्रेरी से की जा रही है। इसकी हर किताब की जानकारी ई ग्रंथालय सॉफ्टवेयर के क्लाउड में दर्ज की जा रही है।

दिल्ली सरकार के एक अधिकारी ने बताया कि अलग-अलग विभागों को अलग-अलग तरह की किताब, संदर्भ किताब, अधिनियम, कानून की किताबों की जरूरत होती है।

कई बार एक विभाग को जो किताब चाहिए होती है, वो पड़ोस के सरकारी विभाग के दफ्तर में होती है लेकिन पता नहीं होता। ई ग्रंथालय से विभागों की लाइब्रेरी जुड़ने से संबंधित विभाग का अधिकारी तुरंत अपने लॉगिन से ढूंढकर उस किताब को मंगा सकेगा। किताब किस रेक में है या किस अधिकारी को इश्यू है, ये भी पता चल सकेगा।

सूचना प्रौद्योगिकी विभाग के प्रोजेक्ट से जुड़े अधिकारी का कहना है कि ये ई लाइब्रेरी नहीं है। इसमें किताबें डिजिटल नहीं की गई हैं बल्कि ये जानकारी ऑनलाइन की जा रही है कि किस विभाग की लाइब्रेरी में कौन-कौन सी किताबें पड़ी हैं, कहां रखी हैं या किसे जारी की गई हैं।

भविष्य में सभी विभागों की लाइब्रेरी ई-ग्रंथालय प्रोजेक्ट से जुड़ जाएगी। इससे कई विभागों को नई किताब खरीदने की जरूरत नहीं होगी बल्कि जहां इस्तेमाल नहीं हो रही है, वहां से मंगाई जा सकेगी। इस प्रोजेक्ट से भविष्य में सार्वजनिक पुस्तकालय में भी जोड़े जा सकेंगे।
