Printable page

Libraries under Ministry of Communications and Information Technology (MCIT) formed the 'MCIT Library Consortium' to jointly subscribe E-Journals, Standards and network the libraries under the ministry. C-DAC being Scientific Society under Department of Information Technology, MCIT; C-DAC, Mumbai Library is a part of this consortium.

A Seminar on 'E-Granthalaya: A Library Management Software' is organized for library professionals. NIC Library, New Delhi has developed 'E-Granthalaya' Library Management Software in 2002 as a part of E-Governance initiative. It is given free of cost by NIC. The software is being promoted by MCIT consortium.

We invite you to attend the above Seminar on E-Granthalaya. The Registration is Free and will be provided to a maximum of 50 working Librarians/Library Staff on first cum first served basis from different institutions.
